Грамматика английского языка: Теория. Практика. Учеб. пособие, 2-е изд., испр. — СПб.: БХВ-Петербург, 2014. — 304 с.

ISBN 978-5-9775-3303-4

Книга представляет собой справочник и одновременно учебное пособие, содержащее 84 тематических уроков. Грамматические правила сопровождаются примерами и упражнениями на их отработку, а также комментариями. В конце каждой темы предлагается урок на повторение и закрепление изученного грамматического материала. Материал представлен наглядно — правила и упражнения расположены на страницах симметрично, отдельные темы изложены схематически или сведены в таблицу. Материал может изучаться последовательно или выборочно, и благодаря универсальности и наличию ключей к упражнениям может использоваться как для групповых, так и для индивидуальных занятий.

*Для студентов вузов, лицеев и колледжей, слушателей курсов,
а также лиц, самостоятельно изучающих английский язык*

Данное пособие составлено авторами, долгое время работавшими со студентами, изучающими английский язык как второй иностранный. Накопленный опыт помог нам понять основные трудности, возникающие у студентов на начальном и продвинутом этапах обучения.

При большом количестве пособий, существующих в настоящее время, авторам было довольно трудно выбрать оригинальную, но вместе с тем эффективную форму подачи материала. Поскольку нам всегда нравилось как оформление, так и подача материала в учебном пособии по грамматике Raymond Murphy *“English Grammar in Use”*, мы предприняли попытку создать книгу, на наш взгляд, столь же удобную в пользовании, но с учетом трудностей русскоязычного учащегося.

При написании пособия авторы ставили перед собой задачу доступно и кратко изложить грамматику английского языка с целью систематизировать знания учащихся.

Теоретический материал изложен на русском языке, что, с нашей точки зрения, делает пособие удобным для начинающих, поскольку снимает языковые трудности при ознакомлении с темой и освоении основных правил образования и употребления грамматических явлений. Английское правописание приводится по британской версии языка.

Некоторые примеры, данные в теоретической части, сопровождаются переводом, с целью акцентирования наиболее сложных грамматических явлений для русскоязычных студентов.

В каждый урок (Unit) включены предложения на перевод с русского языка на английский. Этот тип работы является особенно важным как для закрепления грамматических явлений, так и для активизации лексики.

Лексическое наполнение упражнений ориентировано на учащегося, освоившего наиболее употребительную лексику английского языка.

Предлагаемое пособие не может быть использовано как базовое, но, надеемся, окажется полезным и интересным как дополнение к любому учебнику или курсу. Кроме того, совершенно очевидно, что, несмотря на множество различных пособий, и преподаватели, и учащиеся зачастую испытывают недостаток в упражнениях как тестового плана, так и переводных, а данное пособие может быть использовано и в аудитории, и дома при индивидуальной работе.

Пособие состоит из 84 уроков, объединенных тематически в отдельные разделы. Последний урок каждого раздела посвящен повторению, что помогает проконтролировать усвоенный материал.

Материал, выбранный авторами для отработки и закрепления, частично расположен по принципу нарастания трудностей. Такие крупные разделы, как времена, формы страдательного залога, артикли, с одной стороны, зависят друг от друга, но на продвинутом этапе обучения более сложные грамматические явления могут изучаться и независимо от более простых.

Материал других уроков не зависит от предыдущих, поэтому книга может использоваться и как справочник.

Предлагаемое пособие представляет собой как справочник по грамматике, так и сборник упражнений.

Надеемся, что данное пособие будет полезным учащимся школ, студентам колледжей, лицеев, ВУЗов, слушателям курсов, а также лицам, самостоятельно изучающим английский язык на разных этапах его освоения.

ARTICLES

АРТИКЛИ

1. Артикль **a (an)** употребляется только с исчисляемыми существительными в единственном числе —

- если предмет или понятие упоминается впервые:

I want to give him **a book** as a present.

- если перед существительным в единственном числе стоит описательное определение:

I'm reading **an interesting book**.

- в следующих случаях:

Единственное число — a / an	Множественное число — no article
I <u>have</u> an apple .	I <u>have</u> apples .
I <u>see</u> a boy .	I <u>see</u> boys .
I <u>am</u> a student .	We <u>are</u> students .
It's a pen .	They / <u>these are</u> pens .
This <u>is</u> a cat and that <u>is</u> a dog .	These <u>are</u> cats and those <u>are</u> dogs .
There <u>is</u> a cup on the table.	There <u>are</u> cups on the table.

Артикль также **не** употребляется, если перед существительным стоит притяжательное или указательное местоимение, другое существительное в притяжательном падеже, количественное числительное, отрицание **no** или местоимение **both**.

Give me **your pen**, please.

I want to see **this book**. It's **Kate's bag**.

Both students were late.

There is **no water** in the bottle.

2. Определенный артикль **the** употребляется со всеми существительными, как в единственном, так и во множественном числе —

- при повторном упоминании предмета или понятия:

I have a dog. **The dog** is big.

He asked me several questions. **The questions** were difficult.

- при наличии ограничивающего определения:

I've found **the pen** I lost yesterday.

(Ту самую ручку, которую потерял.)

I can't answer **the questions** he asked me.

(Те вопросы, которые он задает.)

- если понятно, что речь идет о конкретном предмете или понятии:

The flowers are so bright and beautiful!

(Например, про цветы, которые находятся в поле зрения.)

The children are so noisy.

(Дети, которые играют.)

Вставьте а / an или the.

I remember it very well. I was poor then and often didn't have money for bread. I had friend. He was poor writer too. Once we needed three dollars. We had to have money by evening. I didn't know where to go and where to get three dollars. For hour I was walking along streets of Washington. At last I came to big hotel. I went into hall of hotel and sat down on sofa to have rest. Suddenly beautiful small dog ran into hall. It was nice dog and I began to play with it. I was playing with dog when man came into hall. I knew man at once. It was General Miles. He saw dog and liked it at once. "Do you want to sell it?" general asked me. "..... three dollars," I answered. "..... price of three dollars is too little for such dog. Do you want more?" he said. I didn't, so he took dog and went to elevator.

Ten minutes later old man came into hall. He was looking for something.

"Are you looking for dog, sir?" I asked. "Yes," said old man. I promised old man to find dog for three dollars and went to General Miles's room. general had to return dog and of course I returned him money. But old man paid me three dollars I had earned. (After W. S. Maugham).
